

2012 Christmas Message from Municipal District of Foothills No. 31

On behalf of council and staff at the MD of Foothills, I wish to extend a warm holiday greeting to all residents of the MD of Foothills and our neighbors.

I would like to take this opportunity to reflect upon what we have accomplished over the past year and look forward to what is ahead.

Some of the projects we have been involved with over the past year include the new Charles Clark Medical Facility in High River which opened in June. July brought two ground breaking ceremonies, one for the new Regional Field House and one for the new Scott Seaman Sports Rink at Heritage Heights School. The Fire Station at Heritage Pointe has been up and running 24/7 since September. The MD signed a second Memorandum of Understanding in October with the Towns of Black Diamond and Turner Valley and the Village of Longview that will have us working together to implement the Quad Regional Water Project. Most recently in November, the new interchange on Hwy2 at 498 Avenue was completed.

Looking ahead as we continue to grow and prosper, there will be challenges as we work together to make our communities a better place to live and work.

We have much to be grateful for here in the MD. I would like to thank the many residents, who volunteer their time and energy to our communities and our neighboring towns and villages. Thank you, for all your support and collaboration throughout the year. You have all contributed to the successes in the MD of Foothills in 2012!

With the spirit of Christmas, let us share our blessings with our family, friends and neighbours and look beyond ourselves to help those less fortunate.

***I wish you all a Merry Christmas!
May health, peace and prosperity be with you in 2013!***

Reeve Larry Spilak
